#### Description:

**Review** Developing and maintaining culture is a narrow road that must be expanded to allow your people to unleash their true talents in today's fast-paced environment we all operate under. Steve and Craig have taken a small, but powerful tool from their treasure chest and have summarized it in this short, but powerful read. I'm confident it will add value to every member in your organization, as their leadership has to ours. --Scott Teepe Sr. CEO TP Mechanical

**Review** I don't usually read business parables, yet I believe so strongly in the power of greatness within each of us that I heartily endorse this read." - Chip Conley, Founder of Joie de Vivre Hotels and Author of *PEAK* and *Emotional Equations*
