#### Description:

*ARE 5 Practice Exam* contains six practice exams consistent with the NCARB Architect Registration Exam (ARE 5.0) format and divisions. All exam divisions are covered, with one practice exam for each ARE 5.0 division. The problem formats in this book mimic those on the exam and include multiple choice, check-all-that-apply, fill-in-the-blank, drag-and-place, and hot spot formats. Short, realistic problems focus on individual architecture concepts, while longer, more complex case study problems challenge your skills in identifying and applying related architecture concepts.

Enhance your time-management skills by taking each exam within the same time limit as the actual exam. Then, evaluate your performance using the six individual answer keys. Comprehensive and clear solutions demonstrate accurate and efficient problem-solving approaches.
