Deb visits Michael Vickery, the gay son of Cotton Grove's retired doctor and owner of the property where Janie's body was found. She discovers long-kept secrets, learning that Janie had a roving eye and that a lesbian friend and her lover had made overtures to Janie a week before the murder.sentence ok?see my revisions yes, fine But not until another death occurs does Deb begin to close in on the truth. Filled with good-ole-boy patter and detailed local color, the story flows smoothly, and if it lacks suspense, Maron's appealing characterizations and her knowing eye for family relationships more than compensate.
