Description:

From Library Journal This thorough revision of McBrien's best-selling summary of Roman Catholic theology, history, and moral values is an important statement of what it means to be a Catholic Christian. McBrien, a priest and professor of theology at Notre Dame, provides a marvelous synthesis of contemporary interpretations in a compendium designed for the general reader. Throughout, McBrien is faithful to tradition and to contemporary scholarship; he does not hesitate to raise probing questions and to suggest needed changes in teaching and practices. Human existence, God, Jesus Christ, the Church, the sacraments, Christian morality, and Christian spirituality all receive intensive treatment; Orthodox and Protestant views receive respectful consideration. Essential for all libraries, including those with earlier editions.

edition of this title.

Review "A vital resource for grasping the dynamism of Catholicism." -- *Mary C. Boys, S.N.J.M., Union Theological Seminary*

"No less indispensable now than was its predecessor." -- *Nicholas Lash, Cambridge University*

"Now McBrien has even surpassed his previous achievement, and has ensured the continued service of this modern classic." -- *Thomas H. Groome, Boston College*

"Seldom are masterpieces improved on...[but] this new edition must be hailed as a great triumph in its own right." -- *Eugene Kennedy*

"The clearest and most competent guide in the English language to the Catholic Church's origins, teaching, traditions, and developments." -- *Gerald O'Collins, S.J., Gregorian University*

"[*Catholicism*]...now commendably contains developments of the past decade from papal teaching to liberation and feminist theologies." -- *Elizabeth A. Johnson, Fordham University*
