

[PDF] Design And Analysis Of Simulation Experiments (International Series In Operations Research & Management Science)

Jack P. C. Kleijnen - pdf download free book

Books Details:

Title: Design and Analysis of Simula

Author: Jack P. C. Kleijnen

Released:

Language:

Pages: 220

ISBN: 0387718125

ISBN13: 9780387718125

ASIN: 0387718125

Description:

Simulation is a widely used methodology in all Applied Science disciplines. This textbook focuses on this crucial phase in the overall process of applying simulation, and includes the best of both classic and modern methods of simulation experimentation. This book will be the standard reference book on the topic for both researchers and sophisticated practitioners, and it will be used as a textbook in courses or seminars focusing on this topic.
