Description:

Review "*FDR Goes to War* . . . is the latest and perhaps the most devastating critique of FDR. It is painfully relevant to our current president." -- Thomas Sowell

"*FDR Goes to War* is a page-turning tour de force -- and a scholarly one, at that -- of the politics and economics of America's involvement in WWII. Be prepared to rethink much of what you think you know about FDR, the war, and the post-Depression U.S. economy." --Don Boreaux, Chairman of the Department of Economics at George Mason University

"In *New Deal or Raw Deal?* Burt Folsom exposed FDR's failed policies during the Great Depression. Now, in *FDR Goes to War*, he pulls the curtain back even further. Burt and Anita Folsom have produced a book that should be read by all Americans. This is the real history you do not find in textbooks." -- James P. Duffy, author of *Lindbergh Vs. Roosevelt*

"Few in the history profession have done more to shed light on the real Franklin Delano Roosevelt than Burt Folsom. With *FDR Goes to War*, Folsom and his wife Anita educate Americans on the facts we should have known but were never taught. You will find this book both shocking and refreshing." -- Lawrence W. Reed, president, Foundation for Economic Education

"A compelling look at a fascinating man in a devastating war. This is the FDR concealed for over half a century by liberal academics and biased journalists. You will learn a lot from this engaging and readable book." -- Paul Kengor, professor of political science, Grove City College, and author of *Dupes*

About the Author **Burton W. Folsom, Jr., Ph.D.**, a professor of history at Hillsdale College in Michigan, is the author of several books. A regular columnist for *The Freeman*, he has also written for *The Wall Street Journal*, *American Spectator*, *Policy Review*, and *Human Events*.

Anita Folsom has pursued a career in both politics and the teaching of history. Anita served as county chairman for the Reagan/Mitch McConnell campaigns in 1984, and she worked for U.S. Senator Mitch McConnell for two years after he was elected. She currently blogs at BurtFolsom.com.
