Description:

About the Author I'm a wife and the mother of three teenage girls. I work part-time in the laboratory at a hospital and I spend all my time balancing the roles of wife, mother and author. I have two dogs, Mocha and Breesy and two cats, Sammy and Bailey. Writing has always been a passion of mine and I've had many dreams of writing and publishing a book. In just a little under a year, I've written and published a USA Today's Bestselling Novel. When I'm not writing, I enjoy going on dates with my husband. I love going to the movies and out to dinner. I have a severe coffee addiction and you can usually find me hanging out at the local Starbucks with my laptop and writing! My favorite stores are Sephora and Target. The two stores I could spend hours in!
