Description:

About the Author Andrew P. Napolitano is Senior Judicial Analyst for Fox News Channel and the author of *Constitutional Chaos*, *The Constitution in Exile*, *A Nation of Sheep*, *Dred Scott's Revenge*, and *Lies the Government Told You*.

From Lies, you say, "from our government?" How about, "Your boys are not going to be sent into

any foreign wars" (FDR) and "We do not torture" (Vice President Dick Cheney)? The author, who describes himself as a pro-life Catholic libertarian, was a New Jersey superior court judge and is now a Fox News analyst. He doesn't just narrate his audiobook but rather delivers it like a sermon from a legal pulpit. He singles out instances when Congress and the Supreme Court have defied our constitutional protections. Napolitano attacks "the culture in government that facilitates lying" and believes that "it challenges readers to recognize that culture, to confront it, and to be rid of it." The judge's blaring voice and authoritative jeremiads may tempt listeners to question his indictments. J.A.H. © AudioFile 2010, Portland, Maine --This text refers to the edition.
