## **Description:**

### **About the Author**

Since 1996, Petfinder.com has facilitated more than twelve million pet adoptions. What began as one couple's New Year's resolution to "do something good" by uniting homeless pets with prospective adopters has become the largest searchable database of adoptable pets on the Web. More than one out of nine homes with pets in the U.S. contains an animal found on Petfinder.com. Kim Saunders is vice president of shelter outreach at Petfinder.com and is the proud adoptive parent of Kona, Mojo, and Mocha.
