Description:

Philosophy Here and Now: Powerful Ideas in Everyday Life, Second Edition, is a hybrid text/reader that helps students understand, appreciate, and even do philosophy. The book emphasizes philosophical writing, reinforced with step-by-step coaching in how to write argumentative essays and supported by multiple opportunities to hone critical thinking. It shows students how philosophy applies to their own lives and brings the subject to life with engaging chapter-ending literary selections, abundant illustrations, and a wealth of pedagogical features.
