Description:

Review "Pizza on the Grill: 100 Feisty Fire-roasted Recipes for Pizza & More -- This slim paperback is exactly what you need if you are a beginner. The book shares lots of advice from professionals, plus plenty of how-to photographs to inspire confidence. The book is packed with tempting topping combinations -- crab and artichoke with pecorino; steak, roasted garlic and blue cheese; potatoes, pancetta and Gruyere; lobster and corn. What's especially nice is that the recipes include lots of

flavor-builders such as roasted garlic paste, flavored oils, fresh herbs and pastes, even Asian flavors. Although the book is written specifically for grilling pizzas, it also includes instructions for using an oven (thank you)." -- *Contra-Costa Times*

"You thought you knew pizza? Even if you never make one of these, you'll enjoy paging through this book for inspiration and chuckles. To wit: Lucy in the Sky with Pizza, Artichoke Benedict Pizza, Thai One On Pizza. But it's not all bad puns. A Basic Training section offers detailed advice on pizza-making, and many of the easy-to-follow recipes have color photos." -- *Milwaukee Journal Sentinel*
