Description:

Review "A fast-paced narrative and a cautionary tale about how public health policy, corporate practices and public relations, and lawyers' chutzpah and frenzy for fees can converge in a place we all know well."

--Associated Press

"A new, thriller-style account of the horrors of that E. coli outbreak and the subsequent events, including the groundbreaking rulings making O157:H7 an "adulterant".

--Mark Bittman, The New York Times

"Spartan prose delivers a chilling, page-turning lesson in food safety." --Kirkus Reviews

"Movie-like ...Benedict does a dramatic public service by showing us what happened behind the scenes."

--Christian Science Monitor

"Part thriller, part investigative expose, and all human, "Poisoned" lays out in rich, untold detail the tragic yet ultimately inspiring story behind the largest deadly E. coli outbreak in history."

--Armen Keteyian, CBS News

About the Author Jeff Benedict is an award-winning writer and is considered one of America's top investigative journalists. He has published nine critically acclaimed books, including *Little Pink House*, *Without Reservation*, *Pros and Cons*, *Out of Bounds*, and *The Mormon Way of Doing Business*. He is a columnist and feature writer for *SI.com* and a contributor to *Sports Illustrated*. His essays and articles have also appeared in the *New York Times*, *Newsweek*, the *Los Angeles Times*, and the *Hartford Courant*. His stories have been the basis of a documentary on the Discovery Channel, as well as segments on *60 Minutes*, *20/20*, *Dateline*, and HBO's *Real Sports*. He is a frequent guest on network news programs and cable television talk shows, as well as a popular public speaker. He is a Distinguished Professor of English at Southern Virginia University, where he teaches *Writing and Mass Media*, a course he designed.
