#### Description:

**This best-selling anthology expertly explores concepts of identity, diversity and inequality as it introduces students to race, class, gender, and sexuality in the United States.** The thoroughly updated 10th edition features 38 new readings. New material explores citizenship and immigration, mass incarceration, sex crimes on campus, transgender identity, the school to prison pipeline, food insecurity, the Black Lives Matter movement, the pathology of poverty, socioeconomic privilege vs. racial privilege, pollution on tribal lands, stereotype threat, gentrification and more. The combination of thoughtfully selected readings, deftly written introductions, and careful organization make *Race, Class, and Gender*, 10th edition the most engaging and balanced presentation of these issues available today.
