Description:

Review " 'Get to know your sewing machine' books are a dime a dozen, but few provide the extensive coverage of sewing machine accessories needed by both beginning and experienced sewers. Gardiner and Knight describe the wide variety of sewing machine feet in detail, and photos of each foot allow for easy identification: excellent." ---*Library Journal*, Best Fiber Crafts Books 2011

About the Author WENDY GARDINER has been editor of various sewing titles for many years, and

for the last ten years editor of *Sewing World*, Britain's leading sewing magazine. She is co-manager of the ISEW website, a magazine resource site packed with sewing projects and techniques, and runs creative sewing weekends.

LORNA KNIGHT writes regularly for *Sewing World* and has contributed to many sewing books and other fashion publications. Her own previous books include *The Sewing Stitch Bible*, *The Dressmaker's Technique Bible*, and *200 Sewing Tips, Techniques & Trade Secrets*.
