#### Description:

This new edition continues to offer readers a comprehensive exploration and description of techniques of cupping in the context of Traditional Chinese Medicine theory. Extensively updated throughout, and with a new website containing videos and a downloadable image bank, this volume will be ideal for students and practitioners of Traditional Chinese Medicine, and all other complementary health practitioners looking to expand their skill base.

- Explains cupping therapy clearly, allowing the practitioner immediate access to a

set of skills for everyday application

- Well illustrated to support the guidelines discussed in the text
  - Includes website containing video clips showing 11 methods of cupping therapy plus picture gallery of more than 150 colour photographs
  - Gives practical guidelines on the use of cupping in helping to treat more than 30 common conditions
  - Looks closely at issues of safety, expectation and theoretical principles of action
  - Text clarified and updated throughout, with an expanded artwork program and improved layout and design
  - New chapters by specialist contributors cover Cupping's Folk Heritage, Buddhist Medicine, and Thai Lanna Medicine
  - New chapter on Cosmetic Cupping Techniques
  - New section addressing Frequently Asked Questions
  - An expanded discussion about the benefits of cupping therapy, including the treatment of new pathological conditions including myofascial pain
  - Includes new evidence-based research on the effects of cupping therapy, including a systematic review
