Description:

Completely revised and expanded brand-new edition of Volume I, the first book in the Whiskey poetry trilogy!

Whiskey, Words, and a Shovel, Vol. 1, is about reclaiming your power on the path to a healthy relationship. It is a testament to choosing to love yourself, even if it means heartbreak.

Originally released in 2015, this re-rerelease packs the same punch as the first version, but makes an even greater connection with the soul of the reader. Each piece has been re-seen and revamped to reflect the author's continuing journey with his partner, Samantha King, without whom this book would not exist. Samantha is the muse, the "she" the writer speaks of; she is every woman who has felt like she wasn't good

enough, and every woman who struggles to find love.
