Description:

Words from a Wanderer, version two, is a timeless and beautiful collection of #anote2self affirmations. This book of gems was first published in 2013 as a collection of notes and love poems. For the three year anniversary, WFAW has been redesigned, re-edited and rereleased. It is now a book of 62 #anote2self daily affirmations that readers can carry with them easily. This edition can serve as a resource for daily meditation, mantra guidance, and encouragement to its reader. Author, Alexandra Elle, created this book to shed light on the fact that indeed not all who wander are lost; some are simply still finding their way.
