Learn the secrets of top exam performance

Strategies
& Tactics
for the
MBE

This new edition of *Strategies & Tactics for the MBE, Sixth Edition*, has been carefully revised by Steve Emanuel and is full of up-to-date advice on how to analyze Multistate Bar Exam (MBE) questions. It includes details on how to handle each MBE subject including the newly added Civil Procedure, specific, step-by-step strategies for analyzing different question types, tips about how subtle differences in wording can completely change the meaning of an answer, and strategies for "rewording" questions in your mind to make them easier to analyze.

Strategies & Tactics for the MBE also contains a full-length, 200-question practice MBE exam, more than 325 additional questions broken down by subject to total of over 500 actual past MBE questions released by the NCBE, and 70 author-written Civil Procedure questions. All MBE questions and answers have been carefully revised by Steve Emanuel personally. Every subject begins with detailed advice on how to handle MBE questions on that subject and how to focus your studies on the most common and difficult MBE topics. We've worked hard to make the Civil Procedure section particularly valuable since changes in its use in the MBE and how well covered by other MBE-focused materials. Every question has a fully explained answer that analyzes, in detail, every answer option—after

all. It's just an experience to know why one given wrong choice is wrong and to know why the correct response was right. *Strategies & Tactics for the MBE* will give you the skills to succeed... and the confidence to excel.

Why use *Strategies and Tactics for the MBE?*

■ Contains over 600 practice questions, more than 500 questions each of which requires an actual question asked on a past MBE, as well as 70 Civil Procedure questions and answers previously drafted by Steve Emanuel.

■ Contains the latest material on the substantive law in questions since your *Bar Prep* or in what Section 4 explanation addresses, via *File Director* or the *12-Step* Rule or questions since the explanation will state the doctrine in detail, before analyzing how it relates to the question.

■ Gives you step-by-step analysis of each choice so that you can identify the correct answer and the analysis of why each wrong choice is wrong.

Open this book in an exam section, and compare it to any other MBE preparation book... and you'll see that *Strategies & Tactics for the MBE* is the only book that gives you the detailed insight you need.

■ Bonus! In addition to the MBE practice questions, this edition contains in its entirety the most recent NCBE practice exam, the 100-question MBE QP-6.

Description:

Strategies & Tactics for the MBE, 6E is full of up-to-date advice on how to analyze Multistate Bar Exam (MBE) questions, including details on how to handle each MBE subject, specific, step-by-step strategies for analyzing different question types, tips about how subtle differences in wording can completely change the meaning of an answer, and strategies for "rewording" questions in your mind to make them easier to analyze. Updated by Steve Emanuel, *Strategies & Tactics for the MBE, 6E* contains a full-length, 200-question practice MBE exam, as well as more than 325 additional questions broken down by subject a total of over 500 NCBE-released questions. The new edition also includes 70 author-generated Civil Procedure questions. Each subject begins with detailed advice on how to handle MBE questions on that subject and how

to focus your studies on the most common and trickiest MBE topics. Every question has a fully explained answer that analyzes, in detail, every answer option.

Features:

- Updated to include a comprehensive section on Civil Procedure, which was recently added to the MBE exam. This new section features approximately 70 author-generated questions.
 - For the traditional MBE topics (Constitutional Law, Contracts, Criminal Law and Procedure, Evidence, Real Property and Future Interests, and Torts), every one of the more than 500 questions in this book represents an actual question asked on a past MBE. These questions have been reviewed for accuracy and updated.
