#### **Description:**

**Review** "Riley, who appeared in ghost form to her older sister, Ever, in Noël's bestselling *Evermore*, takes center stage in this middle-grade spinoff, first in a planned series. . . . her wit, attitude, and maturation should have readers gladly following her into the second installment."—*Publishers Weekly* "I must admit there is not one thing I don't like about this book. I just listed it all the pros and there are no cons. I would rate it FIVE STARS if I was a critic. And I guess I am. Now I have something to look forward to, the second book coming out in Spring 2011."—Hadley, at AllyKatz.com "I like Riley. . . . She's faced with challenges and loves to meet them head-on. I'm very pleased with this book. . . . Riley's story is touching, moving, and uplifting."—*Bibliophilic Book Blog* "Narrating in a contemporary voice with an honest and comfortable cadence, Riley is imperfect,

but always likable as she sweeps readers to her faraway land where she makes herself and readers assess their behaviors and, quite possibly, make adjustments. In the midst of this wildly fanciful setting, Noël is able to capture with nail-on-the-head accuracy common worries and concerns of today's tweens."—*School Library Journal* "A tale for lovers of the genre . . . For those preteens who like a mild supernatural adventure with romantic overtones, you go, ghost."—*Kirkus Reviews* "Riley is such a great, refreshing character and I loved her voice. She has some great inner monologues that made me laugh out loud. . . . I really enjoyed *Radiance*. . . . I'd definitely recommend YA fans of Alyson Noël to pick it up. I'm looking forward to finding out what happens next with Riley and Bodhi."—*Mundie Moms* "Alyson did a great job writing *Radiance*. It was what I expected and more. . . . She was able to catch that young voice and portray it beautifully. . . . *Radiance* is a great summer read. I give it 5 BITES!"—*Books With Bite* "Another highly creative and well thought out series for Alyson Noël! . . . Noël creates another imaginative world that is so well described it sucked me in from the very beginning. She has a very poetic style of writing that will appeal to any age. . . . I highly recommend."—*Bellas Novella* "*Radiance* is a sweet story, a perfect summer read. . . . Like the *Immortals* series, Noël's world building is superb. *Radiance* was the perfect book to tide me over until the next *Immortals* book comes out. As far as middle-grade books go, it's one of the best I've read."—*I'd So Rather Be Reading* "I think I found a great new series with tons of potential, and that series starts with *Radiance*. . . . This book is so cute!"—*Bloody Bookaholic* "I loved reading this book! . . . Its beauty and simplicity blend perfectly with romance and humor. I'm sad that I must wait until next year for *Shimmer*, the sequel. I will definitely miss Riley, Bodhi, and Buttercup! Also the cover is just beautiful!"—*Novel Thoughts* "The author has a way of making the world she has created come off the pages and into your mind! A book that will keep you captivated from page one until Riley's flight of *Radiance* at the end!"—*My Overstuffed Bookshelf*
